.:Prologue:.

The moonlight danced on the water, light surrounding two silhouettes. Hushed whispers could be heard from them, *What were they saying?* A light breeze blew downwind from them, sending their scents to the incoming patrol.

"What is that terrible smell?" A voice in the patrol snarled.

Another chuckled, "Smells like rogues," They pause and scents the air. "No, they're kittypets!"

The patrol moved toward the kittypets. The kittypets looked up eyes gleaming, a pair of green and a pair of yellow. They narrowed their eyes, turned tail, and fled. *Ha! Go back to your gardens! Mouse-brains!* A shadow, a cat, flew past chasing the kittypets.

"You better not come back!" The cat spat, and slowed to a trot. "Or you'll deal with me!"

"Shadowpelt! Come on back, we need to finish our patrol. " A leaders voice rang out.

Shadowpelt raced back and led the patrol around its course and back to camp. Most of the cats were asleep, apprentices all in dens but a few warriors sit in the moonlight.

"Everyone get some rest now, lost of training and things to do tomorrow!" The leader reminded and headed to go rest as well, nodding to the newly named warriors sitting vigil.

.:Chapter 1:.

Camp buzzed with excitement; the announcement of arriving kits. Stormfire paced anxiously outside the nursery, Stormfire watched.

"Stormfire, your mate is doing fine," Crowfeather said. "Her kitting is about to begin!"

Stormfire stopped pacing and sat beside Jayblaze. They were brother and looks so similar, besides the eyes and markings.

A while passed and Crowfeather emerges from the nursery.

He praised and turned to Stormfire with a troubled look. "You're mate gave birth to the kits but only two survived," His eyes glazed with sorrow he manages to say, "You have a Daughter and a Son, you may go see them now."

Stormfire stared at his paws, thinking be fore he walked into the nursery to greet his worn out mate.

"They're beautiful, " he commented. "What are their names?"

His mate looks at the kits. "The Tom(All black with a white paw) is Deathkit, " She said grimly. "The She-kit(A Beautiful silver with crystal blue eyes) Is Silverkit.

Silverkit? I'm Silverkit? Mewling Silverkit wriggled closer to her mother.

"Out, out, out." Crowfeather ushered. "Let the kits and queens get their rest! Theres much to do!"

Stormfire walked out and saw his apprentice, Jadepaw. Today was her assessment. Fallenpaw and Snowpaw trotted over tails high.

"Assessment today!" They cheered.

Stormfire sighed watching them bounce around excitedly. Jayblaze and Echosong walked over and calmed the apprentices down.

"Okay, today is your assessments," Stormfire paused eyeing the apprentices. "You will be assessed on your hunting skills and later on today we will assess your battle skills."

The apprentices eyes were wide with excitement. They each smiled and raced to the camp entrance. Their mentors followed more slowly. All six cats exited and took different ways. Jayblaze followed Snowpaw quietly, checking her stance and crouch.

Snowpaw scented the air, nothing. She hissed in frustration, scenting again after a few steps. *Rabbit!* She exclaimed in her head and followed the scent. Checking the wind, she moved upwind of the rabbit. Dropping to a hunters crouch she moved in. Silently she sprinted and sprang onto the rabbit, killing it with a swift bite to the neck.

"Wow, that was perfect!" Jayblaze praised, stepping out of hiding.

The apprentice smiled and walked over with the rabbit, tail high. She stared at her mentor waiting for the next task.

"Now, I need you to catch a thrush, or any kind of bird" Jayblaze commanded.

Snowpaw raced off and moments later she walked back with a thrush and a magpie. *Hope this is enough.* Snowpaw thought to herself. Jayblaze stared at her eyes wide with shock.

"You caught those...In that length of time?" He asked.

Snowpaw nodded. "It was easy! Now lets get these to camp so I can be a warrior!" She mewled like a kit, grabbed her kill and raced to camp.

.:Chapter 2:.

"Snowblaze, Jadefire, and Fallenwing!!" The clan chanted after the new warriors were named.

Goldenpaw and Spiritpaw sighed watching them. *Why weren't we warriors yet?* They had been warriors moons before them! Had Thunderstar forgotten? Crowfeather looked at them and stood up.

"Thunderstar, I believe youre forgetting two apprentices in need of warrior names!" He called.

Thunderstar scanned the crowd and his eyes rested on The two apprentices.

"Indeed youre right Crowfeather, Thank you," His voice echoed. "Spiritpaw! Goldenpaw! Please step forward!"

The apprentices stepped forward excitedly. Thunder star went through the naming ceremony naming them Spiritflame and Goldenheart. The clan chanted and most cats went to their dens. The five new warriors sat in the middle of camp for their vigil. The night was bitter cold and new leaf was setting in. The warriors shivered and didnt leave their post.

Dawn came and the warriors went to rest as the clan became alive once again. Starfire was at the base of highrock setting out the days patrols. Silverkit wriggled by her mother mewimg. *Why cant i speak?*

"Maplewish, your little Silverkit seems to be more aware of surrounding than most kits her age." A queen meowed looking at Silverkit.

"What in StarClan!" Maplewish gasped. "This doesnt happen often."

"Wait...What does it mean?" Darkkit mewed.

"She's special somehow...But you cant be sure how." His mother, Duskheart explained.

Darkkit nodded, "How long till she's apprenticed?" He asked.

Maplewish sighed, "Still many moons..."

Darkkit sighed as well. "Im an apprentice tomorrow, I hope she gets to watch!"

Watch? Me? Why? Silverkit had a million questions.

Maplewish picked Silverkit up by the scruff and plopped her down in front of Darkkit.

"Hi! I'm Darkkit!" He mewed warmly.

I'm Silverkit...I wish I could tell you.

"Silverkit? Can you introduce yourself?" Her mother asked abruptly.

Silverkit shook her head then looked down in shame.

"Why not?" She asked a growl edging into her voice.

Silverkit looked at her. *How do I tell her?*

"Maplewish?" Duskheart whispered getting her attention. "I dont think she can speak...Maybe shes mute."

"How often does that happen?" Darkkit broke in, eying Silverkit.

"I haven't seen it in my moons," Duskheart answered. "Have you Maplewish?"

The queen silently shook her head, staring at her muted kit.

There must be something terribly wrong with me...Im 'mute'...

"Is there some way to understand her?" Darkkit asked concerned.

Maplewish shrugged, "Maybe some kind of signing?"

Duskheart nodded. "Sounds about right..."

.:Chapter 3:.

Snowblaze followed Jayblaze and Duskheart out of camp. Duskheart was finally out of the nursery. The three cats padded through the forrest, wind chilling each cat to the bone.

"Leafbare is approaching quickly." Jayblaze commented, scenting the air.

Know-it-all... I could have told you that! Snowblaze hissed in her mind.

"I sense tension between you two." Duskheart's voice breaking Snowblaze's thoughts.

"No time to chitchat, we need to check boarders and get going. Few kits this leafbare...Means less warriors, we'll have to hunt too." Jayblaze growled.

"Who put you in charge?" Snowblaze snapped.

Jayblaze glared at her. "Thunderstar did. He ordered me to keep an eye on you," He spat and growl rising. "Now stop acting like an apprentice and GO!"

Snowblaze stopped in her tracks and sat down. "No."

"Excuse me? Are you disobeying orders?" He growled.

"Seems I am." Snowblaze replied calmly.

"Let's go Duskheart, leave to learn some sense." Jayblaze said over his shoulder.

Reluctantly Duskheart followed and the two cats padded out of sight.

"Stupid Jayblaze." Snowblaze spat when they were out of earshot.

Snowblaze stood up and walked in the opposite direction of them. Following tracks of what? *Uh-oh.*

Snowblaze stopped realizing she had followed a fox.

The fox spun around to face her. Lips drawn back into a snarl it paced closer. *What do I do?* Snowblaze stood paralyzed with fear. *This is the end. I can't fight it. Im too weak!*

The fox lunged at Snowblaze, she flinched. The blow never came, looking around Jayblaze was wrestling the fox by a river. *Jayblaze!* Snowblaze bolted to them and kicked Jayblaze back.

"What in StarClan!" Jayblaze screeched as Snowblaze tackled the fox, both falling into the rushing river.

"Snowblaze!" Jayblaze called running to the riverside. The current was too strong for him to swim for her.

The fox was lost in the clashing waves. Snowblaze struggled against the current to keep her head up, thrashing against the waves.

Jayblaze searched frantically for a way to save her. Spotting a large stick he ran and held it out to her.

"Grab it with your teeth!" He ordered through clenched teeth.

Snowblaze obeyed the order and was pulled by the edge. As Jayblaze lifted her out she cough up water. Jayblaze began to lick the water from her fur, warming her up.

"Th-thanks." Snowblaze whispered.

Jayblaze smiled and licked her forehead. "I think we should get you back to camp, huh?"

Snowblaze nodded and got up. They walked to camp slowly, laughing and talking.

.:Chapter 4:.

[image]

Jayblaze yawn getting up from his nest. *How long did I sleep?* He looked around the warriors den. Spiritflame, Echosong, and Stormfire were out on hunting patrol. Remembering Snowblaze's accident he walked to the Medicine Cats den.

"Jayblaze! Good morning!" Crowfeather mewed. "Could you watch Snowblaze for me while I run and get some more poppy seeds?"

"Sure." He replied.

Crowfeather ran out of camp.

Jayblaze walked into the den. "Snowblaze?" He whispered.

"Oh, hi." Snowblaze answered.

"How are you doing?" He asked wearily.

Snowblaze shrugged. "I've been better."

"Uh...Thanks you know...for kinda saving me back there, if it weren't for you I'd be in your paws." Jayblaze said looking down embarassed.

Snowblaze smiled. "If you hadnt got there when you did I wouldn't be here now."

Jayblaze sighed and sat next to her. "Today is going to be a long day."

"Ha. I'll be stuck here all day." She laughed prodding him with her paw.

He smiled and licked her face.

"Get better..." He meowed when Crowfeather came back.

Jayblaze padded through the chilled forrest. *What is that smell?* Jayblaze halted and scented the air. The smell was rancid and burnt his nose. *Crowfood?* Jayblaze saw snow start to fall. He had been walking aimlessly and realized he was next to the thunderpath.

How did I get this far?

He looked over his shoulder, there were no tracks. *Huh?*

"Jayblaze!!" A voice called. "Jayblaze!"

Jayblaze woke up in the warriors den. Snowblaze was staring at him wide eyed. "Are you okay? You were talking in your sleep...making noises."

Jayblaze's heart was thumping. "Im fine."

Snowblaze smirked. "Okay. Now let us sleep." She purred.

Jayblaze nodded and yawned. To his surprise Snowblaze laid close to him so they were touching. He liked the feeling. Yawning again he fell back asleep.

.:Chapter 5:.

[image]

Silverkit woke up and stretched. *Today I become an apprentice, I wonder who my mentor will be.* Deathkit was being groomed by Maplewish, groaning.

"Mom! I'm clean!" He growled and wriggled away from her.

"This is the last day I will get to groom you." She sighed and grabbed Silverkit for her grooming.

Silverkit sat through it silently as always, not being able to make a sound.

"Ready to be apprentices?" Darkpaw mewed popping his head in the nursery.

Silverkit smiled and nodded padding over to him. He purred and lead her outside.

"All cats old enough to catch thier own prey please gather!" Thunderstar called. "We will be naming two new apprentices."

"Silverkit! Deathkit! Please come forward!" Thunderstar commanded.

The kits stepped forward and sat tall.

"Deathkit, Silverkit, you both have reached the age of six moons, and it is time for you to be apprenticed. From this day on, until you receive your warrior name, you will be known as Deathly and Silverpaw. Deathpaw your mentor will be Duskheart and Silverpaws will be me. I hope Duskheart and I will pass down all we know on to you." Thunderstar mewed.

Silverpaw touched noses with Thunderstar. *Wow! The leader as my mentor!* Deathkit touched noses with Duskheart and stared at the ground.

The meeting came to an end and cats carried on with their day.

"You're finally an apprentice!" Darkpaw cheered.

Thunderstar smiled at the two. "Darkpaw fetch your mentor for me and the three of us can give Silverpaw a tour of the Territory."

Darkpaw nodded a raced off.

"Silverpaw, I've become well aware of your disability in speech." Thunderstar spoke softly.

Silverpaw frowned and looked shamefully. *I'm sorry.*

Thunderstar raised her head with his tail and looked her in the eyes.

"Dont be ashamed. Theres nothing wrong with you. This is just an obstacle, an obstacle you must overcome." He said wisely.

Darkpaw rushed back with his mentor Sagefoot.

"Greetings Thunderstar." Sagefoot said dipping her head.

Thunderstar flicked his tail and got up. "Lets not delay!"

The cats walked out of camp together.

.:Chapter 6:.

[image]

Snowblaze yawned and sat up in her nest. *What time is it?* Walking out of the den she sees the most horrific scene. **Camp was littered with the dead bodies of her clan mates.**

"What in StarClan!" She gasped and it disappeared in a blink.

Jayblaze rushed over to her. "Are you okay?" He asked searching her eyes.

"I'm fine, I just...nevermind." Snowblaze replied.

Jayblaze studied her a moment and nodded.

"Well I'm on dawn patrol and youre in it. Could you go fetch Spiritflame?" Jayblaze mewed.

Snowblaze nodded and padded to the warriors den. "Spiritflame?" She called.

He walked out one eye clawed out. Snowblaze shrieked.

"What is it Snowblaze?" He asked, eye back to normal.

Snowblaze shook her head. "Nothing, sorry." She answered.

Spiritflame nodded and they walked over to Jayblaze, he was talking to Echosong, laughing and smiling. Snowblaze felt jealous watching to two young cats.

"Ready to go?" They said together and laughed more.

Snowblaze rolled her eyes and followed behind the three cats.

Snowblaze carried three rabbits and a magpie back to camp. She

left the patrol amd hunted alone. Jayblaze was already in camp talking to Echosong and Duskheart. *Oh...* She deposited her catch and found Spiritflame.

"Hey Snowblaze! What's up?" He mewed eating a thrush.

"Nothing really. Just got done hunting." She sighed.

"Something on your mind?" He asked sitting up licking his face clean.

"Uh...Its nothing really." She sighed again.

Spiritflame looked at her. "You can tell me, Snowblaze. I'm here for you!"

Snowblaze nodded. "It's just personal. But anyways, would you like to go hunting with me?"

Spiritflame nodded and smiled. "Sounds great, let me tell Jayblaze where were going."

Spiritflame walked over and talked to Jayblaze. Jayblaze looked upset when he was walking back. Snowblaze met his gaze and rolled her eyes turning her back.

Her and Spiritflame left camp tails high.

.:Chapter 7:.

[image]

Jayblaze stared at his paws. *Why did she leave with him? What did I do?* He looked up at Echosong and Duskheart. *Is she jealous? She knows that I don't like them and I like her, right?*

Jayblaze jumped up when Snowblaze entered the camp again, only to frown at the sight of Spiritflame. The two cats dropped a few rabbits and voles on the freshkill pile.

"Great hunting skills!" Jayblaze heard Spiritflame praise.

Snowblaze looked at Jayblaze with a scowl and turned back to Spiritflame. Jayblaze filled with rage and stormed over to her.

"Do you have a reason to sit her glaring at me?" He snapped.

"Go away!" Snowblaze growled not looking at him.

"Fine. Fine. If thats what you want it's what youll get. I'm done with you." He snapped again and walked out of camp.

Walking through the snow littered forrest Jayblaze grumbled to himself. He regretted everything that happened. He knew what was true, he knew he loved Snowblaze.

"Whats wrong?" A voice sounded behind him.

Jayblaze sighed. "Nothing..."

"You cant lie to me ***son***."

Jayblaze turned around and looked at the figure. It was a tall muscular tom, coat a charcoal grey and eyes as dark as night.

"F-father? What are you doing here?" Jayblaze sputtered.

"I am here carrying a message. Jayblaze, There is grave danger coming to your clan. It will destroy your clan, but 'Three blazing flames' can save your clan." He said voice deep.

.:Chapter 8:.

[image]

Silverpaw woke up to the sound of some cat talking. *Huh?* She looked around every cat was sleeping. Darkpaw was next to her and he started kicking. *Darkpaw!* She stood over him. He shook and kicked more. *Oh my StarClan! Its a seizure!* She ran out of the den and to Crowfeather. He was sleeping, she couldnt speak so she bit his ear.

"Ow! Why did you do that Silverpaw?" He growled.

She motioned out the den and he nodded following her. They got to the apprentices den to see Darkpaw twisted in a terrible position.

"Silverpaw, go get Thunderstar and Duskheart now!" He said running over to the fallen apprentice.

Silverpaw ran to Thunderstar's den and shook him awake. He followed her drowsily. She got Duskheart and lead them to the apprentices den. Crowfeather sat beside Darkpaw and unreadable expression on his face.

"What happen to him?" Thunderstar asked.

"It seems he had a seizure in his sleep." Crowfeather said wearily.

"I-is he dead?" Duskheart whispered.

Crowfeather didn't answer.

"Crowfeather!" Duskheart growled. "Answer me!"

Thunderstar silenced her with his tail. "Leave him to check. Go back to your den."

"Silverpaw. I want you to tend to Crowfeathers needs and tomorrow we will train later. Okay?"

Silverpaw nodded. *Of course!*

Thunderstar bowed his head and walked out of the den.

"Silverpaw, I'm sorry...but your friend Darkpaw wont be a warrior with you...He wont be a warrior....Ill leave you to grieve alone." He mewed softly.

When Crowfeather left Silverpaw stared at Darkpaw's lifeless body. *Why you?* A tear fell to the dirt floor. She laid by him and shoved her nose into his dark fur. Deathpaw looked at her gleaming red eyes.

"He's dead. He will be forgotten." He growled, smirking.

.:Chapter 9:.

[image]

Snowblaze woke up with pain in her stomach. *What?* She sat up her stomach a bit swollen. *Uhh okay...* She got up and walked out of the den. Duskheart walked up to her.

"Congratulations!" She mewed.

"Thanks?" She replied.

Duskheart seemed to be happier after the death of Darkpaw a few moons ago. Snowblaze was still not talking to Jayblaze. A pain hit her. *Ow! Whats happening.*

"Snowblaze! My nursery now!" Crowfeather ordered.

"Huh what?" She flinched as another pain hit her.

When she made it to the nursery she couldn't stand anymore. *What is happening!*

Crowfeather ran in. "Ready?"

"For what?" She winced.

"Your kits? They're coming..." He answered.

Kits?!

"I guess I dont have much choice do I?" She grunted.

The kitting lasts a while and when ut was over she was the mother of one small Pure white kit with lavender eyes, the other kits didnt make it.

"I suppose Jayblaze is the father." Crowfeather smiled.

Snowblaze nodded. "Could you get him?"

Crowfeather left and Jayblaze walked in.

"Whats her name?" Jayblaze asked looking at the white She-kit.

"Moonkit." She smiled and licked Moonkit's head.

He smiled. "Im sorry about the dispute we had."

Snowblaze shrugged. "Dont worry about it."

Snowblaze stared at Moonkit. She was the only queen and kit nit the nursery. *Its kinda lonely...*

.:Chapter 10:.

[image]

Jayblaze stared at the night sky. ***Three blazing flames can save your clan.*** *What did the mean?* Jayblaze sighed. Today he became a father to Moonkit. He smiled at the thought of it.

"Better watch Moonkit's back for her!" A voice snarled behind him.

Jayblaze whipped around only to see a black tail streaming away. He ran after it, the falling snow covering the tracks.

Where did they go?

Jayblaze gave up and raced back to camp. *I would have found them if they didn't cover their scent up.*

"Hey Jayblaze!" A voice sounded behind him.

Fallenwing stood behind him. "Wanna help me, help the apprentices? We are making the nursery warmer!"

Jayblaze nodded and followed her to the nursery, slipping in after her.

Snowblaze smiled when Jayblaze met her gaze. Moonkit was sleeping beside her. Jayblaze remembered the warning given to him.

"Jayblaze? Something wrong? We need to get work before nightfall!" Jadefire snapped him out of his daze.

Silverpaw, Jadefire, Fallenwing and Jayblaze worked on the nursery wall. Deathpaw glared at everyone, not helping.

"Deathpaw!" A voice snapped, Thunderstar's.

Deathpaw turned around angered. "What?" He spat.

"You should be helping!" He said growl rising.

"And who's going to make me?" Deathpaw challenged.

Thunderstar narrowed his eyes. "Me."

He nodded. "Then do so, you cannot attack me...so make me."

Thunderstar's fur began to rise.

"Very well then," He said forcing his fur to lie flat. "Then you will have to wait longer to become a warrior."

Deathpaw narrowed his eyes. "Fine."

Thunderstar shouldered past Deathpaw and sat beside Snowblaze. "How are you?"

Snowblaze looked up. "Oh, me? I'm fine. Just a bit tired."

Thunderstar smiled. "She's beautiful."

Snowblaze smiled and nodded. "Thanks."

Deathpaw glared at Moonkit and smirked. Jayblaze glanced at him watching him lash his tail. *Black tail huh?* Jayblaze stood over Moonkit protective. Deathpaw look at him and smiled a wicked smile. *It was him. He knows I know.*

"Thunderstar. I think were finished. Would you like to hunt with me?" Jayblaze prompted.

Thunderstar nodded and they left camp together.

.:Chapter 11:.

Silverpaw yawned the nursery was finished and they were working on the camp wall and barriers. It was almost moonhigh. Deathpaw was no where to be seen and Fallenwing was determined to finish the days work. Jadefire gave up and left just before Jayblaze and Thunderstar got back.

"Thunderstar! Were officially done!" Fallenwing cheered.

Thunderstar smiled. "Perfect. Now you get sleep, Silverpaw when you wake up come get me. You did a good job today."

Deathpaw walked behind Silverpaw to the apprentices den. *Why didn't he help?*

Deathpaw's eyes glowed oddly.

"**The moon will be no more.**" He hissed.

What? Silverpaw stared at the moon.

Deathpaw laughed wickedly. "But **before the moon comes the stars!**"

Silverpaw wanted to scream at him but she couldn't. *What happened to him? He's changed.*

He smiled. "In time sister. In time! Soon I will WIN!" He hissed.

Silverpaw stared at him shocked. He smiled and got out of the den. *Where's he going?*

Cats ran frantic around the camp, some grieving some sulking. *What happened?* Thunderstar sprang onto highrock.

"All cats old enough to catch their own pray please gather!" He

called.

The clan gathered slowly.

"This morning my deputy Starfire was found dead in her nest. We dont know who did it but she bled to death." He choked on his words. "We will make it. StarClan will accept her and we will never forget her!"

SIlverpaw notice Deathpaw was no where to be seen *Where is he? Wait...**The moon will be no more, but before the moon comes the stars.** STARfire is a star! But theres more than one. ThunderSTAR.* She realized Thunderstar was on his last life. *I have to warn him! But what if he doesnt believe me?*

Thunderstar dismissed the clan and went to his den. Silverpaw followed and poked her head in.

"Yes Silverpaw?" Thunderstar sighed.

Silverpaw frowned and tried to think of a way to tell him.

"You look like you have something on your mind, lets see if i can understand you..." He whispered.

Silverpaw sat down, she immitated a dead cat and laid unmoving.

"Sleeping?"

Silverpaw shook her head.

"Dead?"

Silverpaw jumped up and nodded. She held up a paw.

"Deadpaw?.....DEATHpaw!" He smiled.

Silverpaw nodded.

"What about him?" He asked.

Silverpaw tapped Thunderstar's shoulder.

"Me?"

Silverpaw nodded and signaled dead again.

"Deathpaw's going to kill me?" Thunderstar asked confused.

SIlverpaw nodded again.

.:Chapter 12:.

Snowblaze sighed, she couldn't sleep. Moonkit slept soundly next to her with occasional mewing. Moonkit looked so fragile to Snowblaze, as if she'd shatter witha single touch.

Thunderstar slipped into the nursery.

"I have received word from a clan memeber that a cat is after your kit and I." He paused. "Watch her please."

"What? Who? Why?" Snowblaze sputtered.

"Im afraid I cannot tell you, but I can tell you he's kin." He spoke softly.

Snowblaze looked at her defenseless kit. "No one will hurt you." She wrapped her tail protectively around Moonkit.

Silverpaw walked into and sat by the door. *I'm not leaving this post.*

"Silverpaw will guard you being my apprentice I have taught her needed skills." Thunderstar Said over his shoulder and left.

"It's sunhigh Silverpaw. Go eat." Snowblaze pleaded worried, the apprentice hadn't moved for a while.

Silverpaw shook her head. *If I do that it could be when Deathpaw strikes.*

"Well. Could you get *me* freshkill?" Then yourself she asked yawning.

Silverpaw realized Snowblaze hadn't eaten and nodded her head. She exited the nursery. Deathpaw was standing next to the freshkill pile, smiling evily.

She walked and grabbed a thrush and vole. Deathpaw tripped her and laughed. *Jerk.*

She brought Snowblaze the freshkill and ate her own. *Poor Snowblaze, She must be scared to death for her kit.*

"Silverpaw rest. I'll wake you if there's problem. You can rest here." Snowblaze piped up.

Reluctantly she agreed and rested beside Snowblaze.

Silverpaw awoke in a strange field. *Where am I? Where's camp?* She scented the air, nothing. *What is going on?* Stary mist whirled around her and two outlines of cats stood before her.

"Greetings Silverpaw." The taller cat, she-cat meowed.

"Hello?" Silverpaw said voice shaking.

"We come with an important message," The shorter one explained. "There's grab danger coming to you clan. Three blazing flames is all your clan has left."

***Darkpaw!* Silverpaw's heart ached remembering her old pal.**

"No need for sadness Silverpaw. We walk with you down your trechourous path. Be careful of Deathpaw." They boomed together and dissolve into darkness.

Silverpaw woke up from her dream bewildered.

.:Chapter 13:.

Jayblaze wrestled the black tom. He had be attacked by an unknown cat who covered their scent again.

"Give up Jayblaze! You can't win! The darkforest powers me!" Deathpaw's voice screeched.

"No!" Jayblaze roared and slammed him against a tree. "Leave my daughter and Mate alone! Leave all of us alone!"

Jayblaze snarled he claws digging into Deathpaw's throat.

"Never. You cant kill me. You wouldn't." Deathpaw smirks knowing he's right.

Jayblaze showed no weakness. "Dont test me."

Deathpaw smiled. "Very well. KILL me."

Jayblaze tightened his grip. *I cant kill a cat. Its against warrior code. But if no one knows?* Before Jayblaze knew it he was pinned to the ground. Jayblaze wriggled under Deathpaw. *He does have the power of Darkforest!*

"Any last words?" Deathpaw hissed.

Jayblaze locked eyes with Deathpaw and smiled.

"Yes, think fast!"

Deathpaw narrowed his eyes confused as a cats raked their claws down his back. Deathpaw yowled in agony and whirled around to face the attacker. A calico she-cat stood in her hindpaws, claws bloody.

"Many YOU should watch your own back, you foxheart!" She snapped and slashed his face. Blood stained the grass and he staggered backwards.

"Who are you!" He spat blood trickling into his eyes.

The she-cat simply purred and smirked. "Your worst nightmare."

Deathpaw laughed. "I'm not afraid of ANYONE!"

"Not even Tiger?" She laughed.

"How do yiu know about Tiger?" Deathpaw hissed.

Tiger emerged from the underbrush. "Deathpaw very well."

The calico she-cat jumped behind Jayblaze. *Who is Tiger?*

Tiger smiled. "You have some scratches. Who was your opponent? Who did this to you?" He asked eyes narrowed.

Deathpaw smiled and nodded his head toward Jayblaze and the unnamed She-cat. Tiger turned toward them eyes as black as night. *What the?* He launched himself at Jayblaze but the she-cat easily blocked it.

"Very good. Now let me actually try!" Tiger laughed.

He launched himself again and landed pinning her down. *What do I do?* Deathpaw tackled Jayblaze and bit his throat. Blood sputtered out.

.:Chapter 14:.

Silverpaw raced to the nursery, it was finally time for Moonkit to be an apprentice and Silverpaw to be a warrior.

"Silverpaw?" Snowblaze called from the den.

"SILVERPAW!" She squealed.

She smiled.

"Sorry." She muttered and sat down letting Snowblaze groom her.

"I hope youre my mentor, Silverpaw!" She thought for a second. "What do you think your warrior name with be?"

Silverpaw hadn't thought about her warrior name. *What could it be?*

Silverpaw shrugged.

"Maybe it will be Silvermoon!" She purred and fled from the nursery.

"Sit up straight." Snowblaze called.

"I, Thunderstar, leader of StoneClan, call upon my warrior ancestors to look down on this apprentice. She has trained hard to understand the ways of your noble code, and I commend her to you as a warrior in her turn." Thunderstars voice boomed.

"Silverpaw, do you promise to uphold the warrior code and to protect and defend your Clan, even at the cost of your life?"

Silverpaw sat up straight and nodded.

"Then by the powers of StarClan, I give you your warrior name. Silverpaw, from this moment on you will be known as Silverflame.

StarClan honors your courage and bravery, and we welcome you as a full warrior of StoneClan." He called.

After naming Moonpaw as Silverflame's apprentices the clan chanted their new names.

Silverflame sighed. She had bees working with Moonpaw all day on a proper hunting crouch.

"I can't do it. Wait...Silverflame...Do you hear that?" She whispered.

Silverflame listened and shook her head.

"Its the sound of a failing apprentice." She sighed.

.:Chapter 15:.

Snowblaze sighed watching Moonpaw sulk at the edge of camp. Silverflame had caught a cough, green cough maybe. *What is she going to do? I can't help. Can I?* Snowblaze sighed again deeply and walked to Thunderstars den.

"Thunderstar?" She called.

There was no answer. Snowblaze proceeded in and stopped dead in her tracks. Thunderstar lie dead gashes everywhere showing struggle. *No!*

"Crowfeather!!" She hollered.

Crowfeather bolted in fur standing on end. "No, no, no!" He rushed to his side and checked for a pulse eyes looking down sorrowfully.

"Thunderstar never picked a new deputy...He shouldn't have died. He was young. Who will lead us?" Crowfeather wailed.

"Spiritflame." Snowblaze blurted.

Crowfeather looked up and rose to his paws. "Yes."

Snowblaze was surprised at his tone, so clear, so serious.

"Then we must tell her and the Clan of Thunderstar's death." Crowfeather said and walked out of the den expressionless.

Snowblaze followed and saw Silverflame. She didnt look the best, but she looked a lot better.

Silverflame sprang onto highrock with Snowblaze at her side.

"All cats old enough to catch their own prey please gather!" Snowblaze called, the height of the rock sickened her.

The clan gathered muttering confusingly to eachother.

"Today our beloved leader, friend and kin, Thunderstar died." Snowblaze began. "We must appoint and Leader and they a deputy."

"I believe as Thunderstar's apprentice Silverflame should be leader." Snowblaze chimed with Crowfeather.

Murmurs of agreement echoed.

"Now she must appoint a deputy. You can wait but you need to chose before moonhigh." Snowblaze said jumping from the rock.

.:Chapter 16:.

Silverflame padded through the chilled underbrush. Jayblaze quickly followed her pace. He had her come with and left her deputy to watch camp. They squeezed into *moonlit cave(my "moonstone")* When they reached the tree the sits in the center she rested at its roots and feel asleep.

"Greeting Silverflame." A voice welcomed behind her. Turning around she sees the face of Thunderstar.

Silverflame dipped he head and sat down.

"You are now to receive your nine lives." Thunderstar rested his head on hers. "As your mentor and kin I give your first life, of compassion."

Starfire padded over as he walked away. "We were strangers more or less, but we'd defend eachother. With this life I give you understanding. May you use it when the time comes."

After her comes Darkpaw. "You were my bestfriend and you tried to help me the night I join StarClan. I thank you. With this life I give you Hope."

He stepped away as a Large Black cat bounds over. "Hi, I am the former leader before Thunderstar, im Talonstar. Ive watched you closely and with this life I give you strength to overcome you enemies."

With the last five lives Silverflame receives, Love, Bravery, Loyalty, Trust, and Cleverness.

"For now on you will be known as Silverstar." Thunderstar smiled.

Silverstar wakes up and stretches, feeling some sort of new power surging through her. Jayblaze wriggled in his sleep.

She prods him, waking him up.

"Hey Silverfla-star." He blushed at his mistake.

Silverstar smiled and led him back to camp.

.:Chapter 17:.

Silverstar streatched waking up in her den. Moonpaw was waiting for Silverstar outside her den.

"Morning Silverstar!" She mewed when she padded out.

She dipped her head in reply and yawned.

"Today your going to asses me right?" Moonpaw mewed early.

Silverstar nodded and saw her deputy bounding over.

"Morning Silverstar, I set patrols for the day." Snowblaze smiled.

Silverstar dipped her head in thanks and led Moonpaw out of camp for her assessment.

Moonpaw raced off and looked for a rabbit. Many hours past before she caught anything.

Great...Silverstar sighed.

"I have a mouse." Moonpaw dropped the tiny field mouse and Silverstars paws.

She ran off and Silverstar followed closely. Moonpaws hunting skills were poor. Nothing compared to Silverstars or Snowblaze's. I showed her the right and she had it. What happened? Moonpaw was running pretty close to a ravine. She stalked and rabbit and chased close to the rock edge and slipped in.

Authors note:
Rivaled here, sorry for the short chapter but I needed to update something. So here. Next chapter will be better. Now that Silverstar isnt a flame anymore who will be the third blazing flame?

.:Chapter 18:.

There was a splash as Moonpaw hit the water. MOONPAW! Moonpaw fought to keep her head above water, thrashing at the water. Silverstar couldnt go back to camp. She'd have to try to save her, herself.

Reluctantly Silverstar leaped in after Moonpaw. She grasped Moonpaws scruff in her teeth and tried to swim towards the rocks. Without succeeding.

Crowfeather was padding by the ravine and looked in see Silverstar and Moonpaw.

"Silverstar!!" He screeched and ran to camp.

He came back Snowblaze and Jayblaze, her best warriors. They pulled her and Moonpaw out.

Silverstar shook and looked at her apprentice.

"Moonpaw!" Snowblaze cried at the limp apprentice.

Author's note:
I know, I know, another extremely short chapter and cliffhanger...Im sorry but I cant really see...Ive got pink eye and its really, really swollen...

.:Chapter 19:.

Silverstar stood with Snowblaze on the highrock.

"We have a young apprentice who had fallen in the ravine. If it werent for Silverstar she wouldnt have made it. Moonpaw is courageous, but sadly she broke her leg and is blind in one eye." Snowblaze called out.

Crowfeather jumped up beside her. "She will live under my watch and will get better!"

Snowblaze's effort to not cry was outstanding.

Snowblaze moved up as a small she-cat darted into camp, running into highrock.

Silverstar raced down to her side. The cat was a smokey grey with white paws, underbelly, chest and belly.

The cat jumped and looked around wildly.

"Whats wrong?" Crowfeather asked concerned.

She shook with fear. "A black C-cat t-t-tried to kill me!"

Silverstar whipped her head towards Deathpaw, who was grinning evily.

"Did you do this!" Jayblaze hissed for her.

He gave a smiled. "I did."

Stormfire stoped his brother from launching himself and attacked Deathpaw, pinning him down.

"Why?" He spat in Deathpaws face.

He didnt answer, and Stormfire clutched Deathpaws throat with his

claws. Blood started to trickle and stain the ground.

"Leave!" He growled. "If you come back. I wont hesitate to rip you throat out!"

Deathpaw sprinted our of camp after scratching Stormfires eye. Stormfire didnt flinch.

.:Chapter 20:.

"Owlpaw! Owlpaw!" The clan cheered.

The she cat smiled.

"So much for a cat in distress huh?" Jayblaze teased lightly.

Owlpaw smiled and blushed at the attention. "Yeah.."

Her mentor, Snowblaze padded over. "Ready for some hunting?"

Owlpaw nodded.

"Silverstar! Im taking Owlpaw out hunting! Will you manage?" She called to her leader.

Silverstar nodded.

They padded out slowly. Fallenwing followed curiously.

Moonpaw stared at her paws and sighed. Crowfeather looked over at the sad apprentice.

"Would you care to help me sort herbs?" He asked gently.

Moonpaw thought a second and nodded.

Jadefire gave birth to two kits, a silvery-blue she cat with dazzling green eyes and a fiery orange tom with blind, hazel eyes.

Fallenwing gazed sympathetically at the blind tom.

"Meet your aunt, Fallenwing. These are Crystalkit and Flashkit."

Silverstar and Snowblaze padded in, Crowfeather stopped dead at

the entrance, shock glittering in his eyes.

Silverstar looked at him curiously, cocking her head to the side.

"***A blinding flash will show us the truth***." Crowfeather recited.

Snowblaze stared at the blind Flashkit. "I-Is h-he the blinding flash?"

.:Chapter 21:.

"The prophecy has changed!" Crowfeather told his leader.

What? How? She eyed him curiously.

Presuming, "Well, it spoke of three blazing flames. StarClan tells me that part of the prophecy has changed, and they arent sure why." He explained.

Silverstar nodded. *Was it me?*

Crowfeather shrugged, "I dont know what to think."

Crowfeather stared at her. "Flashkit is part of a prophecy...and destined to be Flashflame and your Apprentice. StarClan has told me."

Silverstar nodded.

-*Several Few Moons Later*-

Silverstar touched noses to the blind apprentice.

"Thanks." He breathed into my ear.

Moontail stood smiling next to her newer mentor Crowfeather. Her accident left her to grow close to StarClan and the magic of healing.

Crystalpaw stared at Owlwhisker. The stray rouge was her mentor. She snorted.

The clan meeting ended.

.:Chapter 22:.

"Silverstar." A small voice squeaked. Darkpaw.

The young leader stared up.

"I have much to tell you." He started. "Starclan is sorry and is worried it has failed the clan. The old prophecy is no longer in place. Like it was never meant to be interpreted as it was."

Silverstar nodded still confused.

"There is a prophecy though, t he four elements will make your clan nothing but a single, snowy, silver owl. " He told.

Silverstar cocked her head.

"Starclan cannot tell."

She nodded.

"There is one more thing. Between us." He whispered.

Silverstar craned her neck to listen to him.

Darkpaw smiled. "I will return."

Silverstar looked him in the eyes. Could her love really be returning?

"Indeed returning. I will be Darkpaw as was but only you will remember me." He said thoughtfully. "As I have been forgotten by most."

She smiled egarly.

"Goodbye Silverstar."

Then he disappeared along with the dream.

.:Chapter 23:.

It had been moons, Darkpaw indeed had returned, becoming Darkfang. He and Silverstar became mates, which the clan approved happily. Days were good and peaceful until today.

Wind roared, it was warm, but getting colder. Never a good sign. Cats were frightened at what may happen.

"Silverstar!" Owlpaw yowled. "Its getting too dark, Theres gonna be a **tornado**!"

Silverstar dreaded that statement. Only knowing it was part of Darkfangs prophecy. Air was only the first element out of the four.

"Silverstar! We need to hide." Snowblaze wailed.

Trees whipped around violently, some broke, wounding cats.

Darkfang nudged Silverstar. "We have to hide in the cave by the stream."

Silverstar herded Snowblaze, Jayblaze, Darkfang, Owlpaw, and a few other cats to the cave. Crowfeather pushed his apprentice ahead.

"Go!" He called. His apprentice stood refusingly but was scooped up by Darkfang and taken to the cave.

Silverstar gazed around at the cats, scanning faces and pelts, Jayblaze, Snowblaze, Owlpaw, Darkfang, Moonpaw limping awkwardly being half dragged by her mother, Flashkit but no Crowfeather. Then Silverstar realized her father was no where to be seen, she bursted from the cave she *needed* her father and her medicine cat.

Time passes and the Tornado dies out, cats are shaking and coughing. Moonpaw's leg unfixable, determined by Crowfeathers

Apprentice. Stormfire still was absent as was Crowfeather. The very few cats were practically hopeless.

Jayblaze was near death and Snowblaze was, noticably large. *Shes holding kits!* How hadnt anyone noticed. Silverstar walked over slowly leading her aside. "When are they due?" She asked in a hush voice. Snowblaze looked shocked and frightened.

"Now..." She squeaked. Silverstars heart raced.

"Blackpaw!" She yelled to the medicine cat apprentice. Blackpaw bounded over with a stick and poppy seeds.

The kitting began immediately, a shekit emerged and was quickly warmed and put next to his mother, soon after another three toms and a she-kit were born. Then its was all over. The four kits suckled, the she-kit, Tinderkit was a soft brown and white kit. The others, toms Greykit who looked like Jayblaze, Tigerkit who resembled a Tiger and Bouncekit who was golden were suckling.

"They're beautiful." Their father winced at the pain in his body.

"I'm a big sister." Moonpaw cawed.

SIlverstar watched smiling. *Four new cousins.*

.:Chapter 24:.

[image]

The cats were baffled by the tornado. Silverstar was frightened for what was next and what the fate of her new cousins would be. *Would StarClan let them perish? Or let I instead?*

Moonpaw waddled over. "Silverstar."

Silverstar looked at her.

"I know the prophecy." She whispered.

Silverstars eyes widened. *How?* Moonpaw nodded.

"I know most of us won't make it." She began. "But we can always try."

Silverstar nodded. She had already lost many of her warriors and kits.

"Okay!" Snowblaze got every ones attention. "We have lived through and Tornado and will push forward, we lost lots of cats but we will live on!"

The cats in the cave cheered until they were cut off but Deathpaw emerging.

Deathpaw! Silverstar leaped down in front of him.

"Greetings sister." He smiled. "Long time no see."

"Ive come baring a message for Silverstar." He told the bristling Snowblaze.

What! Silverstar glared at him.

"StarClan grieves the losses but knows you can win. StoneClan with thrive once again and you will be granted what you truly deserve."

.:Chapter 25:.

[image]

Many moons passed and Silverstars cousins became apprentices. The clan was strong again. Silverstar knew there was only a matter of time before the next element attacked.

Fire erupted from the Forrest engulfing many cats, Silverstar and some warriors ran. The new apprentices ran quicker and wildly.

Jayblaze ushered Moonpaw and Snowblaze out after the apprentices.

A tree collapesed onto Jayblazes leg. He wailed in pain and tried to get free. Snowblaze reared up and ran towards him.

"No! Snowblaze! GO!" He pleaded.

"Not without you!" His mate refused.

"Momma!" Moonpaw wailed out.

Snowblaze bolted over to her kit. "We gotta go."

"Mom I cant." She looked at her rebroken leg.

Snowblaze licked her kit the last time, Snowblaze bent over her. "Your a true warrior, you will be known as Moonclaw."

Moonclaw smiled.

"Im proud of you Moonclaw." Snowblaze praised as the light faded from her kits eyes.

She looked for Jayblaze, he lay there coughing, the world seemed to slow down and she padded over to her dying mate.

"J-Jayblaze" She choked. "I love you. You will live on in our four beautiful kits."

He smiled. "I love you too Snowblaze. Please dont mourn much, StoneClan needs you."

Snowblazes eyes were streaming and she nudged her mate and licked him affectionately.

Jayblaze left for StarClan soon after.

"May StarClan accept you and Moonpaw." Snowblaze whispered and bolted away.

The rest of StoneClan took shelter on the other Side of Jade creek.

Silverstar, and Snowblaze four kits stood waiting.

"Mommy!" They cried in unison as Snowblaze launched herself over the creek.

"Its okay mommy's here now." She whispered softly.

"Wheres daddy and Moonpaw?" Bouncepaw asked.

"Theyre in StarClan my dears." Snowblaze sighed.

.:Chapter 26:.

Darkfang smiled warmly at Silverstar, Silverstar was carrying his kits. More time passed and her cousins were fine warriors.

Bouncefang, Tigerpelt, Greynose and Tindercloud. Snowblaze taught Owlfern so much.

"It cant be much longer till the next element strikes." Snowblaze called out.

Silverstar let Deathpaw join them and help interpret. So Silverstar decided all the cats should know what was going on.

"Well fire and Air have come now there's only Water and Earth left, right?" Owlfern asked.

"Precisely," Snowblaze replied. "Now we need to think about what they mean.

"Earthquake and flood." Bouncefang answered immediately.

"We need higher ground then. Safer too, less trees." Deathpaw suggested.

"Moorland?" Owlfern asked.

"That may work, isnt there the High Cave there?" Darkfang asked.

"Yeah, but if an Earthquake hits, we could get hurt or even killed." Tigerpelt added.

Tindercloud looked up, "I bet kitty-pets dont have to worry about this, we could all go find one."

Deathpaw stalked over to her and stared her down. "Are you suggesting we give up? Youre soft."

Snowblaze didnt move, deep down she knee he was right.

"It would be safer." She answered cooly, keeping her ground.

"If you're scared. Then leave!" Deathpaw challenged.

Tindercloud stood up tall. "I am afraid of nothing."

"Then face this problems with the rest of your clan like a true warrior!" He answered and began to stalk away.

Tindercloud leaped in front of him and pressed her nose to his. "Do you not believe in my comitment to StoneClan?"

He smiled sweetly. "I do now."

She blushed slightly.

"You confronted the most evil cat here, that shows loyalty and comitment." He commented.

She nodded slowly and slipped away, trailing her tail down his back, unseen by others.

"Very well." Deathpaw said loudly. "We should leave very soon."

Snowblaze nodded a bit concerned by him.

.:Chapter 27:.

The wind roared in the cave, rain poured on the roof. Thunder cracked the sky. Cats were positive it was the flood.

Something nagged at Silverstar that it wasnt and we were preparing for the wrong event.

Snowblaze was staring into the rain from the cave mouth, depressed looking. Silverstar padded over and rested her head on her shoulder sympathetically. *Dont worry, theyre always with you.* Silverstar willed to comfort her deputy.

"Silverstar..." She said in a hushed whisper. "I...heard you."

What does that mean? She thought.

"Your thoughts Silverstar, I cant hear them. Youre voice...its beautiful." She smiled.

Thats wonderful! Snowblaze I have an important thing to tell you.

Snowblaze fixed her gaze on her leader.

The fourth element consists of the third. This night is both.

"You sure?" She asked eyes widening with shock.

Silverstar looked at her paws. *Pretty sure.*

Snowblaze frowned, "I must warn the clan."

Indeed.

Snowblaze rose. "Cats! I need your attention!"

The clan turned their gazes to the young cat.

"Silverstar feels there will be both earth and water combined. To

destroy us." She said.

"Destroy us?" Tindercloud gasped.

Deathpaw stood up, "Its an attack from Darkforest."

"How do you know?" Tigerpelt asked suspiciously.

"Because, I was leading it. But, I called it off right after the decision and begged StarClan for forgiveness and have them help StoneClan." He said honestly.

Tindercloud purred. "That was a brave thing to admit."

Just then the earth shook and the ground of the cave began to crack. The cats ran to the back of the cave and a river of a flood flowed it. The cave fell in itself trapping the cats inside with water trickling in.

.:Chapter 28:.

Crowfeather picked his way around the burnt and destroyed camp for any sign of where his clan had gone. Tufts of fur littered the ground. *Where could they have gone?* Stormfire crawled from the rubble gasping.

"Crowfeather!" He rasped.

"Stormfire." He said in admonishment.

"The.. cave! Flood... and... quake." He foretold as his eyes went dull.

Crowfeather thought about his message. The cave in the clearing across the territory what the only one other that Moonlit cave.

---*

The wind had picked up and a storm brewed above. Stormfires message still ringing in his ears. Wails and cats voices wrre ahead in the cave. Crowfeather smiled, he made it.

Just then the ground shook and he gasped as a river of a flood flowed around him. He leapt for high ground and waited.

The cave collapsed and left the cats inside with water pooling in. Crowfeather had to help them.

He launched himself down and landed in front of the cave. Small cracks allowed water to go in. If he wasnt quick they would drown.

He shoved a large branch into a crack and pushed it, breaking some rocks out of place. It soon tumbled down.

.:Chapter 29:.

The cats stared at the broken wall surprised, Silverstar noticed Crowfeathers limp body laying in the heap of stone ruble. *He was alive!*

Silverstar bounded over and moved the stones. *Crowfeather!*

"Silver-S-Star!" He smiled weakly.

Don't speak. She pleaded mentally.

Snowblaze padded over. "She wishes you save your breath."

"I havent got much time, but be aware. Stonepaw will-" he coughed. "Replace me."

Silverstar frowned and nodded pressing her nose into her fur.

--*

Cats cleaned up the old clearing and collected moss and things. Everything seemed to be getting better. Tindercloud laid next to Deathblade next to the nursery being built, her stomach swollen.

Silverstar smiled as Featherpaw worked with her mentor Snowblaze.

"Silverstar!" Owlpelt called.

"Yes?" Silverstars beautiful vouce rang out.

"Stonepaw needs an escort to get herbs, May I?" She asked.

"You may." Silverstar accepted.

StarClan rewarded her hardships and troubles with the greatest gift she needed. **Her voice.**

The end!
